

Never print another claims check.

Introducing the newest feature of ClaimsPay®

One Inc provides an all-in-one claims payment solution that delights policyholders, lowers operational costs, and increases payment security. With ClaimsPay®, you can pay all claim parties in the way they prefer – ACH, Direct-to-Debit, ClaimsCard™, and now, paper check! One Inc manages the entire claims payment process, so you don't have to.

What it Means for Your Business

✓ Reduce operational cost and burden

Work with one provider to make all your claims payment disbursements and cut down on in-house printing and mailing.

✓ Simplify reporting and reconciliation

Generate a single report to reconcile all your claims payment disbursements – regardless of payment method – with your core system and trust accounts.

Main Features

Bank Account Flexibility – Checks can be issued from any bank account, even multiple bank accounts.

High Security – Checks are printed on chemically sensitive paper with built-in security features to prevent forgery and fraud.

Convenient EOB/Remittance – Important documentation can be included within the check envelope, so your recipients have everything they need in one place.

Multi-Party Flexibility – Claim payments can be disbursed to several parties with a single check made out to up to 4 parties.

Reliable Delivery – Checks are printed every business day and shipped as USPS First Class mail, so they arrive when promised.

Detailed Tracking – The status of every shipped check can be easily tracked with USPS Tracking.

Easy Reporting – Find the check transactions you need with a user-friendly Transaction Search, and run a single report for all your outbound payments.

Simplified File Formatting – Positive Pay files are formatted to the specific requirements of each of your banks.
